GETTING STARTED

1

Log In

To get started firstly head to www.musicacademy.com and click on the 'Login' button at the top right of the screen.

2

Enter Username and Password

You can log in using your username and password that we have sent you. If you have forgotten your password you can use the forgotten password link. Enter your email address to be sent a link to reset your password.

EDITING PROFILE

3

Change Password

You can change your password from the drop down menu at the top left of the dashboard labelled 'My Account'.

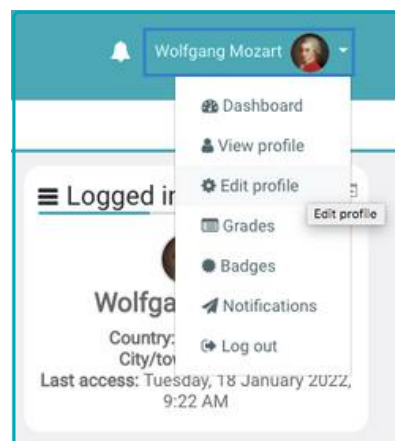

We recommend that you change your password when you first log in.

4

Edit Profile

From the edit profile section you can change details such as your name and email address. You can also add other details, for example your Country or City, and a picture if you wish.

PROGRESS OVERVIEW

1

Head Into a Grade

Head into the grade or course that you wish to view, for example Music Theory Grade 1.

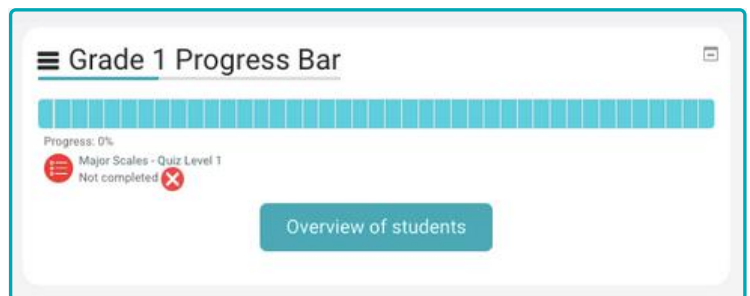

At the top of the course dashboard you will see your progress bar.

2

Overview of Students

Click on 'Overview of students'.

From here you will see your students' progress bars.

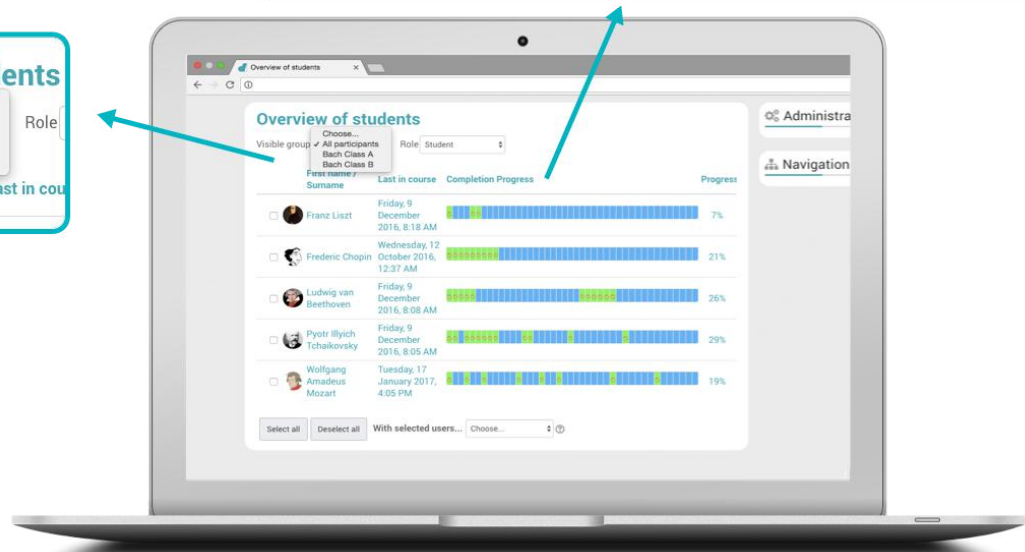

3

Choose Class

If you have multiple classes under your account, you will see a drop-down menu at the top of the screen. Click this to choose whether to view all your classes at once, or one class at a time:

	First name / Surname	Last in course	Completion Progress	Progress
<input type="checkbox"/>	 Franz Liszt	Friday, 9 December 2016, 8:18 AM		7%

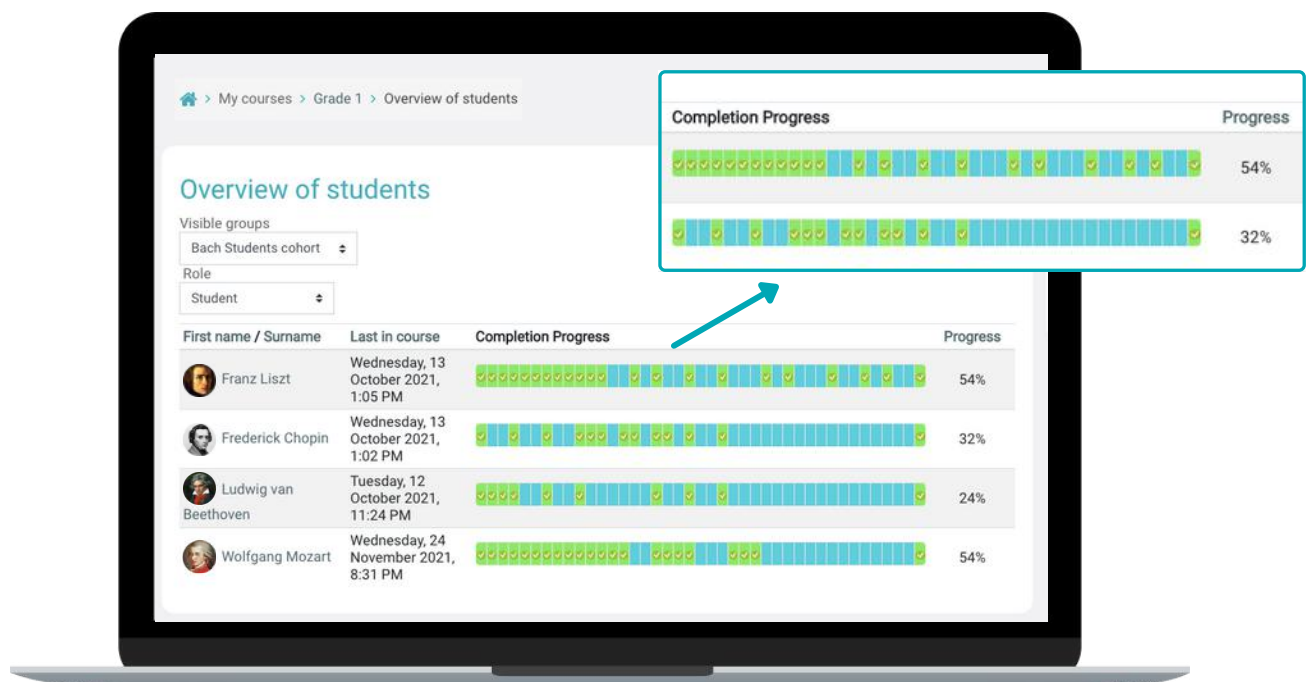

PROGRESS BARS

4

View Progress

The 'Overview of students' is useful in order to get a quick idea of how all of your students are doing within the grade or course.

Students are listed with the following information: last access in course, progress bar, and the percentage of that course they have completed.

5

Progress Bars

Each bar of the progress bar represents a section (lesson, quiz, or game) of the course.

Hover over the progress bar to read the names of the lesson, quiz or game:

Blue means the student has not yet completed the section.

Green means the student has passed the section.

QUIZ RESULTS

1

Head Into a Grade

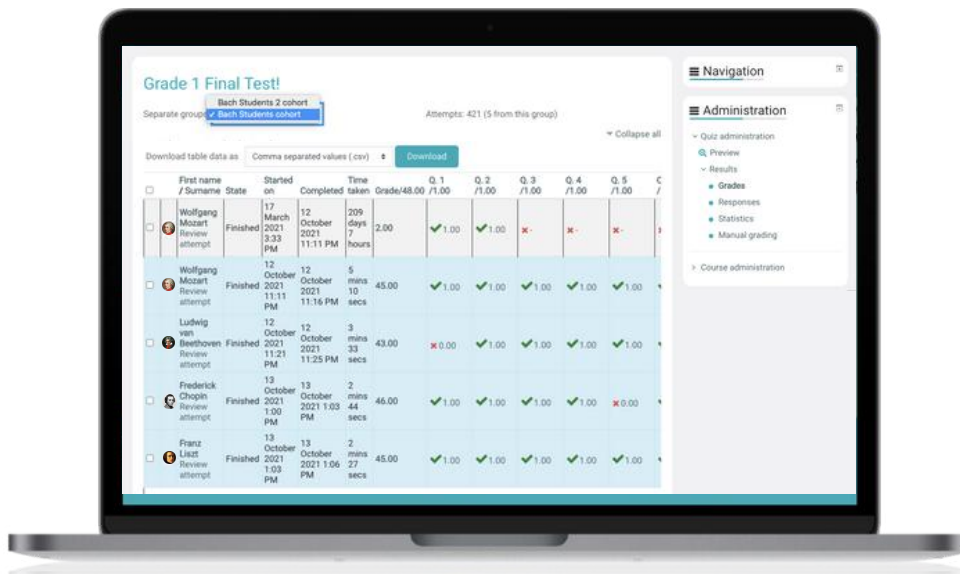

Click on the quiz you would like to see the results from

2

Results

Click on 'Results'. From here you will see all of the quiz results from your classes. Use the drop-down menu to view the results by class.

3

Download Result

You can download these results to a spreadsheet using the drop-down menu

4

Quiz Review

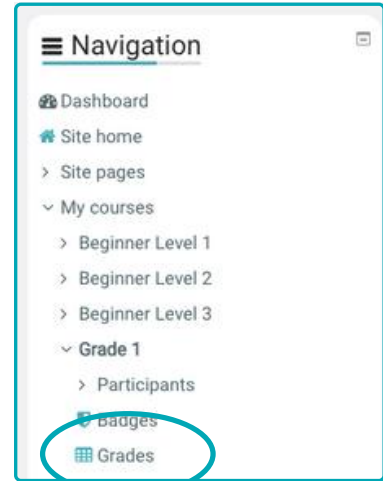

Click on "Review attempt" under a students name to be taken to that students quiz attempt which will show you which questions the student got right & wrong. See 'Quiz Review' on page 7 for more information about the quiz review.

GRADES

1

Click on Grades

Click on 'Grades' in the right-hand side bar. You are now in the grades administration area.

2

Completed Topics

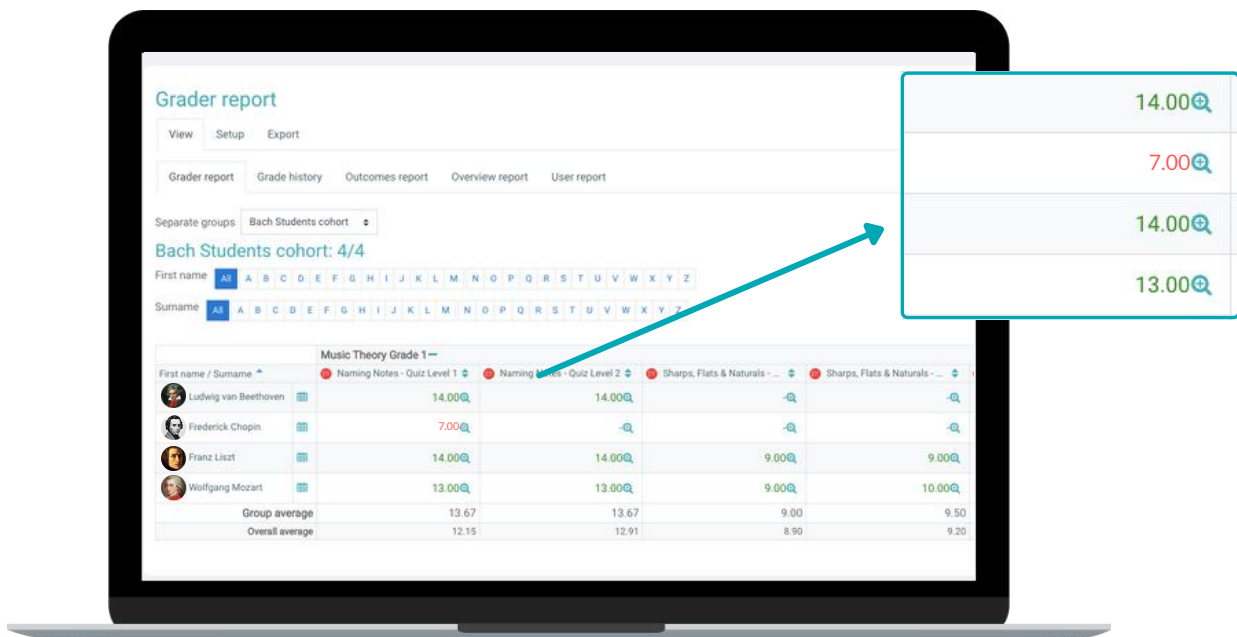

You will see a list of your students in a spreadsheet type layout with the grades they have achieved for each quiz. Scroll across to view all of the quizzes.

If there is a dash in the box it means it hasn't been completed, and the numbers show the students' grades for that quiz.

Green is a pass grade

Red is a fail grade

Click on the magnifying glass next to the score to be taken to that quiz attempt.

QUIZ REVIEW

1

Click on Magnifying Glass Icon

Click on the magnifying glass next to the number. This takes you to that student's 'Quiz Review'.

GRADE HISTORY

1

Grades

Head into any grade. Click on your 'Grades' in the navigation bar on the right-hand side.

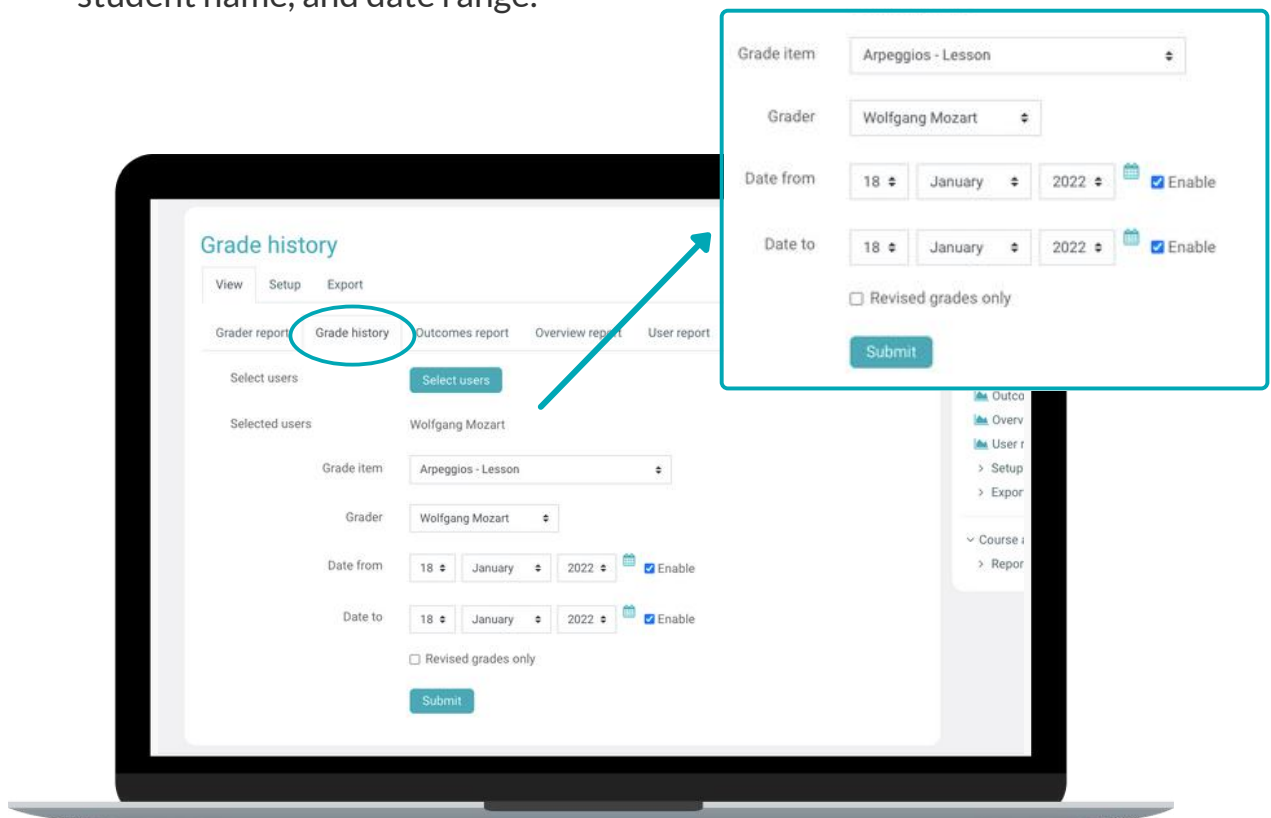

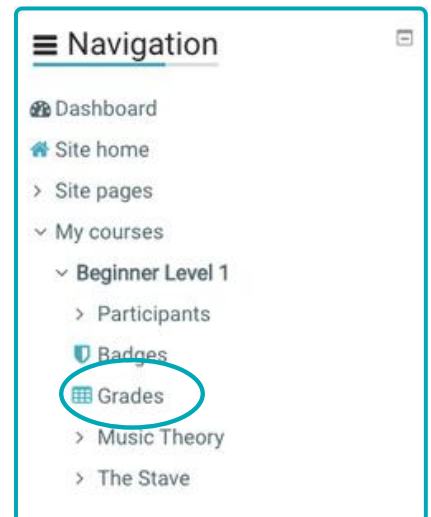

2

Click on Grade History

From the grade administration area select the 'Grade history' tab.

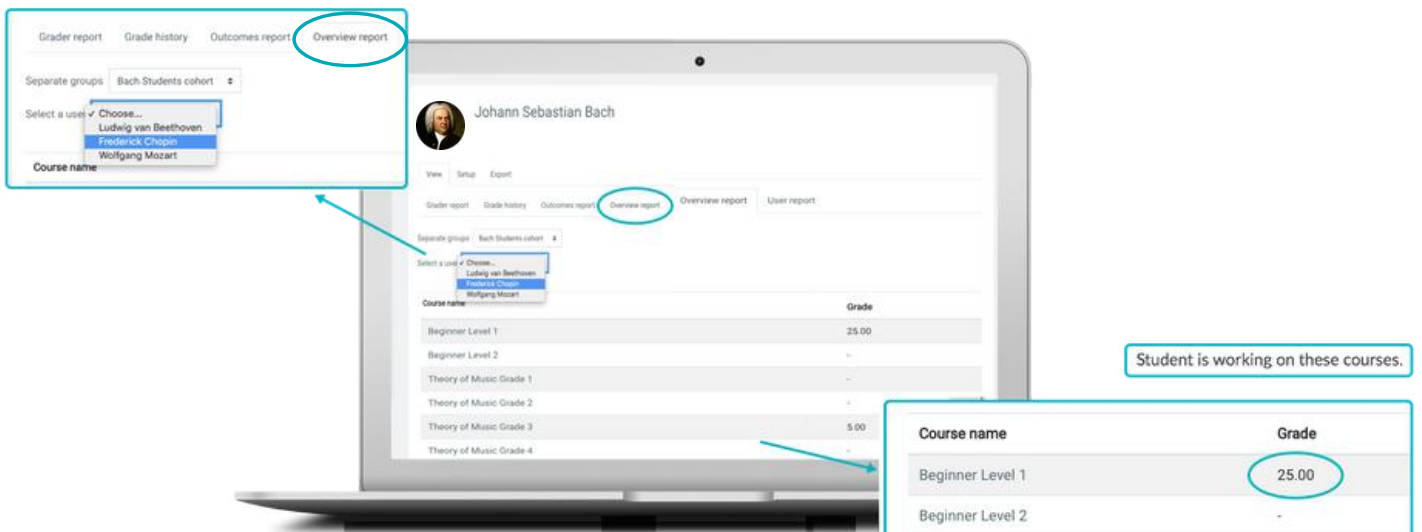

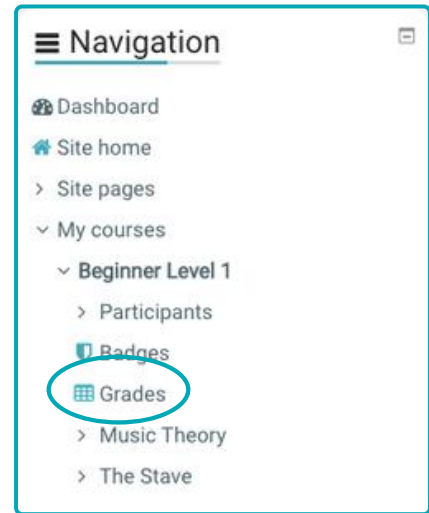

From here you can find the grade history of your students.

You can search by specific grade items/activities, student name, and date range.

OVERVIEW REPORT

- 1 Grades**
 Head into any grade. Click on your 'Grades' in the navigation bar on the right-hand side.
- 2 Overview Report**
 Select the tab labelled 'Overview Report'. Here you will see a list of all the courses.
- 3 Select Class/Student**
 Use the drop-down menus to select the class and then student you would like to view.

- 4 View Progress for Each Course**
 If the student has a grade listed next to the course it means they are working on that course and have completed lessons or quizzes within that course.

If there is a dash next to the course then they have not done anything within that course.

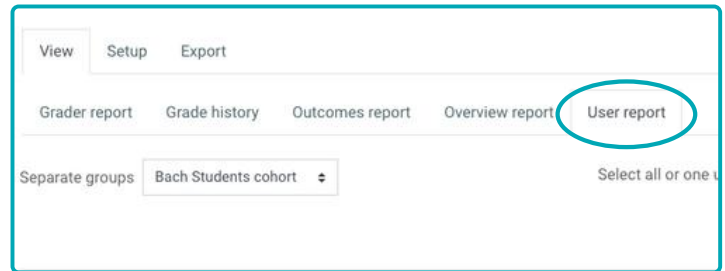

You can switch between students using the drop-down menu without leaving this page.

INDIVIDUAL USER REPORTS

1

Click on User Report

To see individual reports for your students click on the 'User report' tab from the grades administration page.

2

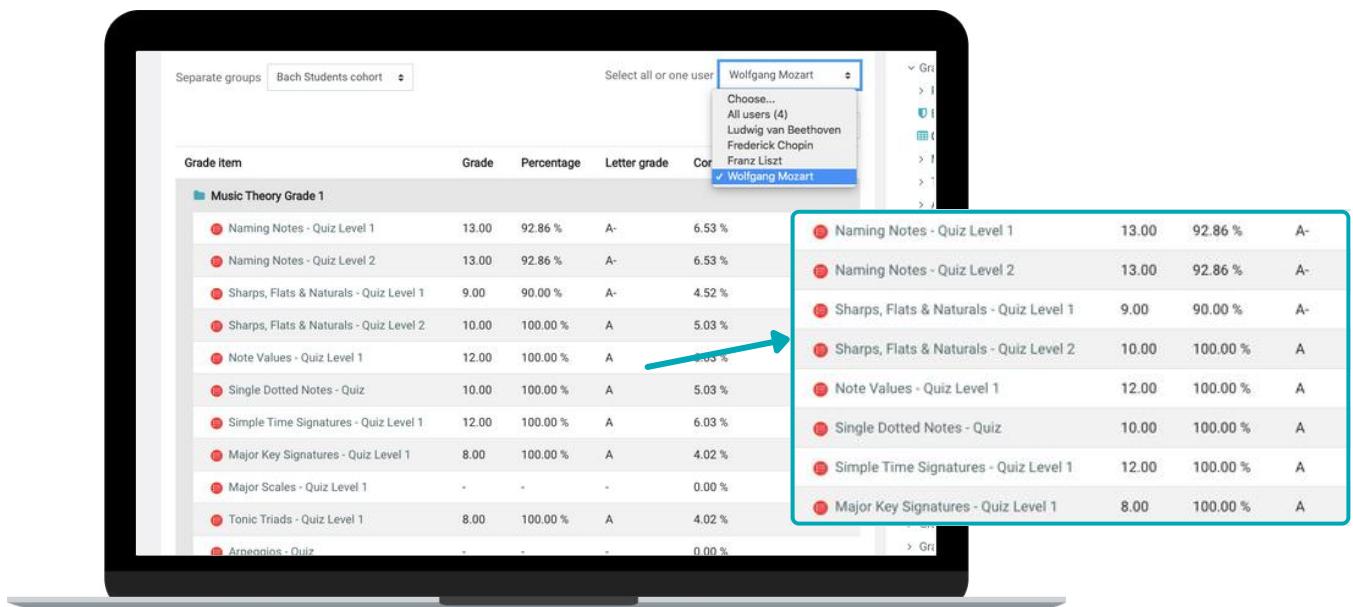

Select Student

Use the drop-down menus to select the student you would like to view.

3

Individual Grades

You will see an individual report for that student with all of the topics and the grades that the student has received.

4

Print Report

To print the report simply right click and select print.

This is a particularly useful tool for when the student has finished the grade as an easy way to print a report to show how students are progressing.

EXPORTING GRADES TO SPREADSHEET

1

Click on Export

Click on 'Export' from the grade administration area.

This allows you to download all of your students' quiz marks to a spreadsheet.

2

Choose Document Type

Choose what type of document you want to download (Excel, Open Document, Plain text, XML).

Excel is usually the easiest, but choose what works for you!

3

Choose Classes or Students

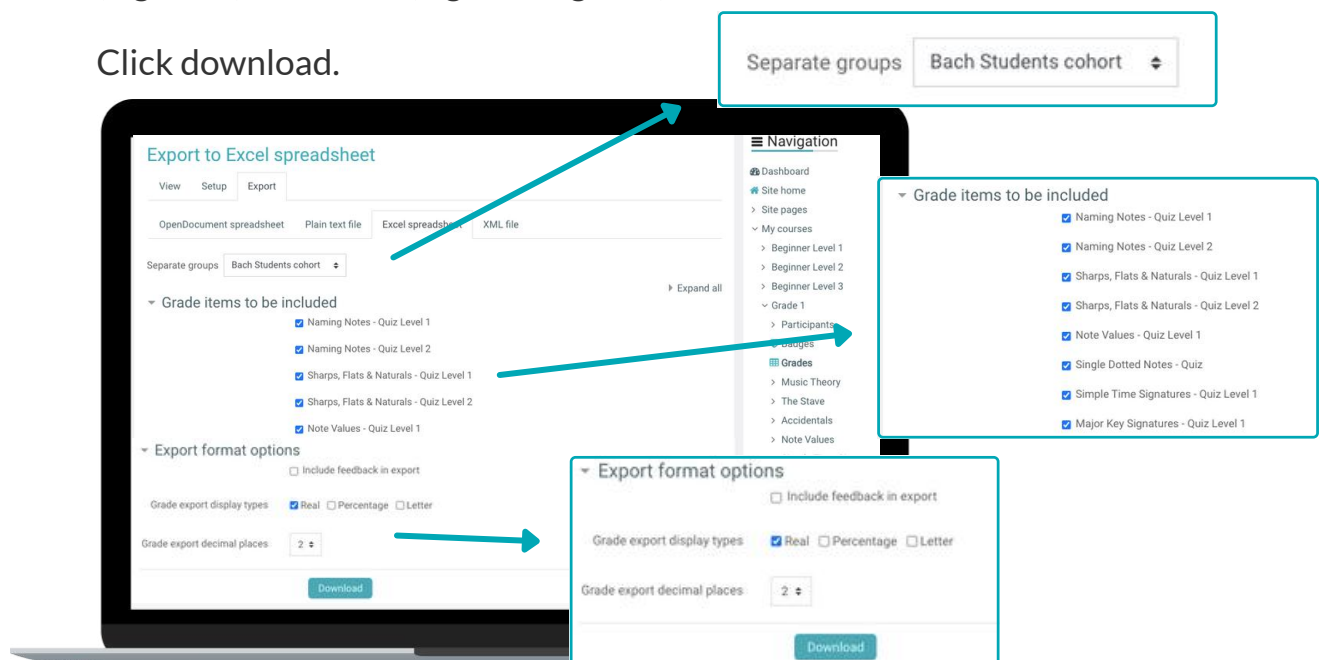

Choose which classes or students you want to be included in the spreadsheet.

4

Choose Format Options

Select the export format options that you want - we recommend percentage (e.g. 90%) and letter (e.g. A,B,C grade).

Click download.

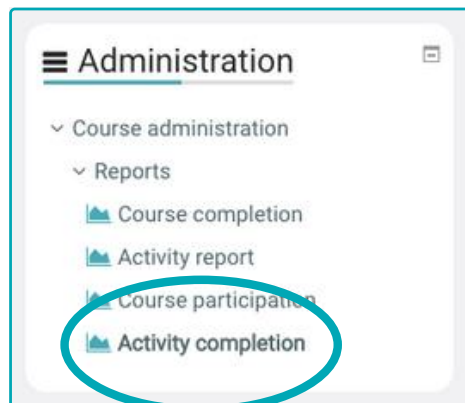

ACTIVITY COMPLETION REPORT

1

Activity Completion Report

Click on 'Reports' in the right-hand side bar, and then click on 'Activity completion'.

2

Completed Topics

This shows you a list of your students (again choose the class from the drop-down menu at the top of the page) and which activities they have completed. Scroll across to see all of the topics.

A tick in the box means they have completed the section. Hover over the boxes for more information (student name, section, if completed, if achieved pass grade, when completed.)

3

Download to Spreadsheet

You have the option here to download the information to a spreadsheet. There are two download formats available - choose the one that works best for you.

CERTIFICATES OF ACHIEVEMENT

1

Certificates

Once a student completes a final quiz they are awarded a personalised PDF certificate with the date that they completed the quiz and the grade that they have achieved.

These are a great way for students to keep track of their progress, and to have something to work towards to stay motivated .

2

Locate the Certificate

You can find these certificates in the last section of each course, after the final quiz.

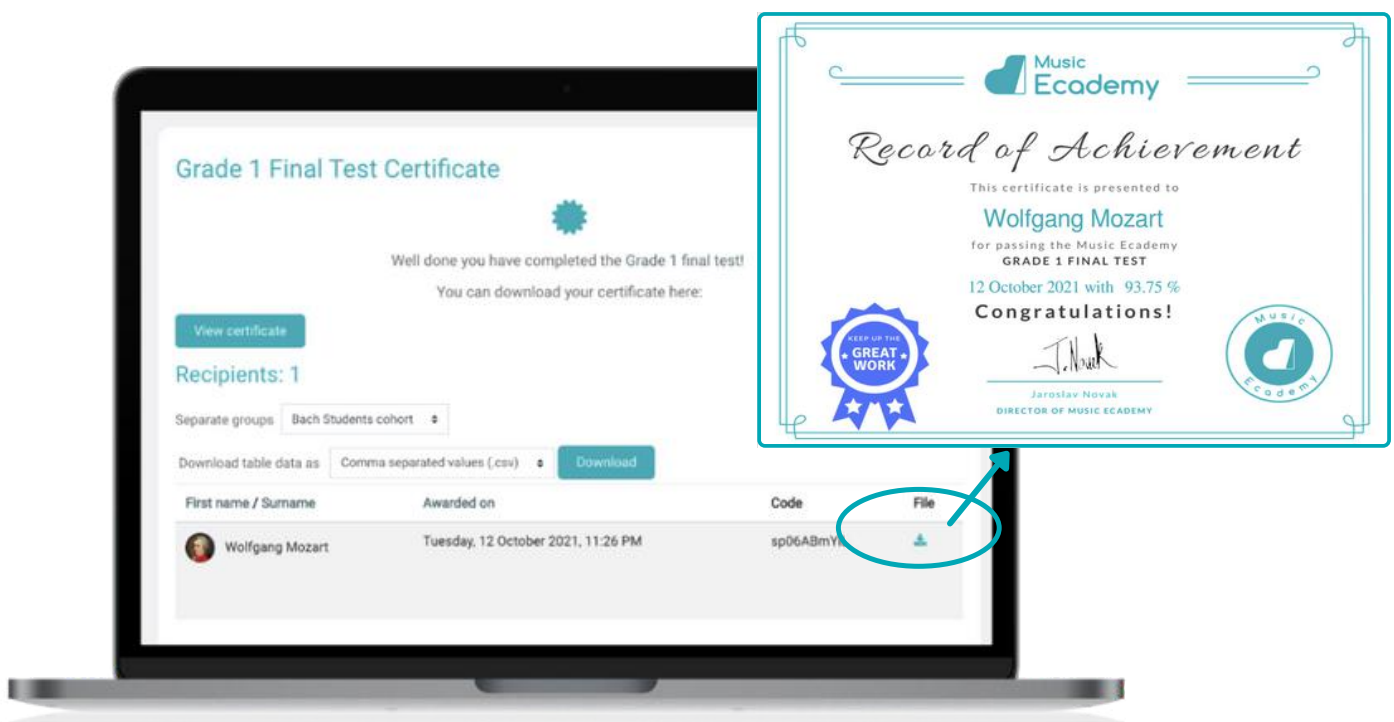

3

Download

Students can download these certificates themselves, and as a teacher you can also download your students certificates.

Click on the download icon next to the students name.

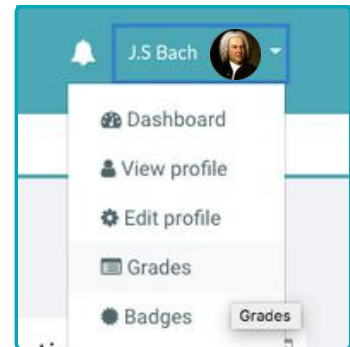

GRADES ACROSS MY COURSES

1

Grades

Navigate to the drop-down menu next to your name and click on 'Grades'.

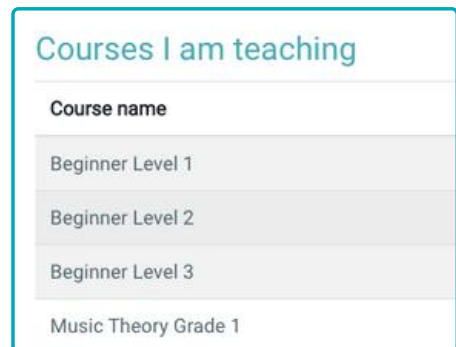

2

Courses I am Teaching

You will be taken to a page titled 'Courses I am Teaching'.

This is where you will see a list of all of the courses that your students are enrolled in.

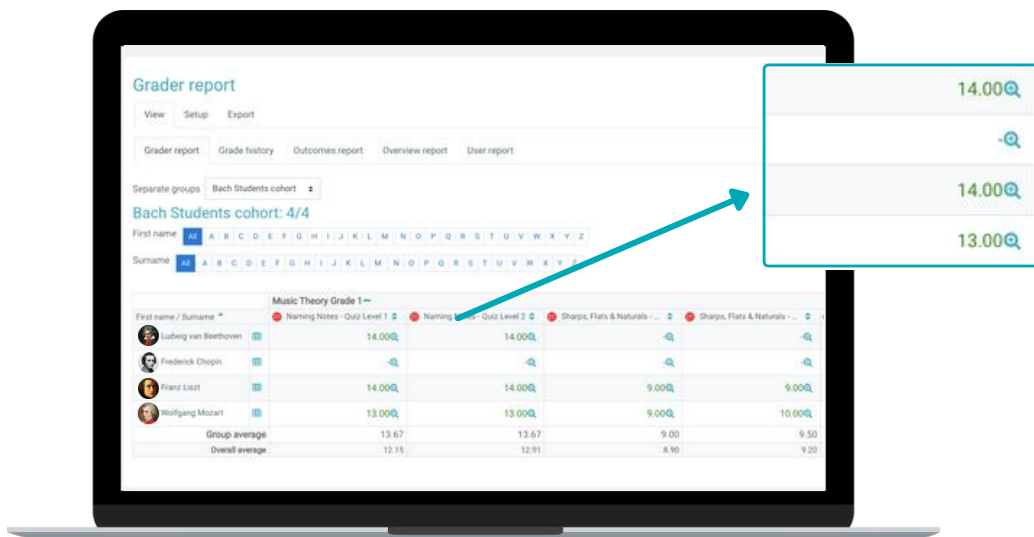

3

Grades in Each Course

Click on the name of the course to be taken directly to the spreadsheet of all of your students grades for that course.

See page in this booklet for more information.

Tip:

Open each course in a new tab

Try opening each course you wish to look at in a new tab. This way you can see the grades of each course next to each another and get an overview of your students' progress across the site.
